# TRENDY SOAP DISPENSER

DECK MOUNTED TOUCH FREE ELECTRONIC SOAP DISPENSER FOR LIQUID NON-PROPRIETARY SOAP

Series includes options for:

Individual one (1) liter bottle.

Individual five (5) liter tank.

Versions to accommodate multiple soap dispensers installation (up to 6 dispensers simultaneously) with five (5) liters tank.

Tall versions for counter top sinks.

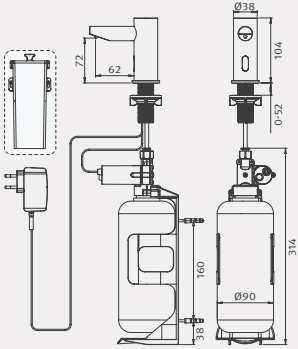

Advantages:

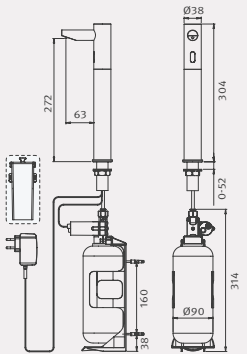

- Drastically reduces soap consumption
- No physical contact. Helps to protect users against cross contamination.
- Peristaltic pump. The soap is driven inside the soap tube without contact with the pump, preventing contamination and back flow.
- Accurate soap dosage
- To be used with non-proprietary soap for maximum savings.
- Soap dosage adjustable by remote control
- Easy to install and refill
- Matching IR operated faucet
